THE WALL-IT STORY STARTS HERE:

CLAIRE DE LUNE LOLLIPOPS (THAT COME IN MANY DIFFERENT COLORS), HAVE UP TIL NOW, BEEN SOLD WITH A NAIL TO HANG ON THE WALL. MANY SIMILAR PRODUCTS ARE SOLD AS IS.

BUT I HAD THIS FEELING THAT IF GOT THIS AS A GIFT, BEAUTIFUL AS IT WAS, IT WOULD FEEL A LITTLE BIT LIKE GETTING A (BATTERY-DRIVEN) GIFT - AND NOT GETTING BATTERIES WITH IT.

HOW
HOW TO HANG IT?

YOU COULD HANG IT ON
A NAIL, BUT YOU MIGHT
BREAK YOUR BEAUTIFUL
BULB AGAINST THE WALL.

YOU COULD HANG IT ON A METAL
SHELF BRACKET, OR A WOODEN
SHELF BRACK, BUT SECURING IT
MIGHT BE AN UNSIGHTLY ISSUE, THE
STYLE OF THE BRACKETS MIGHT
NOT MATCH YOUR INTERIOR STYLE
